Benchmark Litigation is the only publication on the market to focus exclusively on litigation in the U.S. *Benchmark* results are based on comprehensive interviews with litigators and their clients. Firms listed as highly recommended received the most mentions by peers and clients. Local litigation stars reflect lawyers who are consistently recommended as reputable and effective litigators by peers and clients. Labor & employment recognition is awarded based on a separate research study specifically focusing on the labor and employment practice area on a nationwide basis. *Benchmark* is published by Euromoney’s Legal Media Group.
