### Introducing the Massachusetts Appellate Blog

---

Robinson+Cole's appellate lawyers recently launched the [Massachusetts Appellate Blog](#) to report on key developments in the Massachusetts Supreme Judicial Court, Appeals Court, and U.S. Court of Appeals for the First Circuit and share insights on appellate strategies and practice pointers. We aim to cover the top courts of Massachusetts in a manner similar to how [SCOTUSblog](#) covers the U.S. Supreme Court.

We invite you to check out our new blog at [www.massappellateblog.com](http://www.massappellateblog.com). You can subscribe to the blog by [e-mail](#) or by [RSS feed](#).

Here are a few of our recent posts:

- [Massachusetts Appeals Court Single Justice Practice: The Basics of Interlocutory Appeals](#)
- [Massachusetts Supreme Judicial Court Restricts Review of Arbitration Awards](#)

We welcome your feedback and ideas about topics you'd like us to cover. Please share the blog with anyone you think will find it useful.
