ENFORCEMENT + LITIGATION

[Colorado Mobile Home Park to Pay \\$25,000 for Data Breach](#)

Last week, Impact MHC, a Colorado-based mobile home park management company, agreed to pay \$25,000 to the Colorado Attorney General's office and implement new security measures after a data breach of more than 15,000 individuals' personal information, including 719 Colorado residents. If Impact fails to implement the agreed upon security measures (such as creating a written information disposal policy, a comprehensive cybersecurity program, and an incident response plan) within the allotted timeframe, it must pay an additional \$30,000. DRONES

[Walmart Drone Delivery Soars Ahead](#)

This week, Walmart announced that it has invested in a drone service provider, DroneUp, to further its plans for drone delivery. Walmart President and CEO John Furner wrote in a statement, “Conducting drone deliveries at scale is within reach. DroneUp’s expertise, combined with our retail footprint and proven history of logistics innovation, puts us right where we want to be for that day. Because when it comes to the future of drone delivery, we know the sky’s the limit.” DroneUp has previously partnered with Walmart to assist in the delivery of COVID-19 test kits in dense urban areas in Las Vegas, as well as with some Coca-Cola products in Georgia.
