Chambers USA has published guides to the legal profession for more than 20 years. Its team of researchers conducts thousands of interviews with lawyers and their clients worldwide to recognize lawyers and legal departments based on technical legal ability, professional conduct, client service, commercial astuteness, diligence, commitment, and other qualities valued by clients. Chambers undertakes an independent and objective process, and
inclusion in the guide is based solely on the research team’s findings. An explanation of Chambers’ methodology can be found online here.
